minimum number of rounds for Championship	4				4											

ACU South Eastern 2023 Trials Championship

Elite Expert (Adult and Youth): The Championship for this class is dependant on the number of rounds that actually take place.

Each club can decide whether sections for Elite Experts can be made at its venue. If classes for Elite Experts are included in Regulations, a club may cancel the Adult and/or Youth Elite class if insufficient entries are received.

Some Combine trials and Long Distance Trials are not shown in this table. Will clubs please send their dates when known to Peter Burrell, peter@sidcupmcc.co.uk . Please include the Championship logo in Regulations, notices to riders, websites, FaceBook and results.

The Trials Combine has a website, currently with the address of www.southeasttrialcentre.com - note 'east' not eastern and 'trial' not trials! Not a very catchy name, but the name will be changed to something better.
