Big thanks to Roger who managed the trial, from organising work parties, setting out crews, and spending many days with helpers to decide the route and sections. Thanks to all who mucked in with clearing, setting out and clearing up. Also many thanks to the observers who volunteered and were lucky with a dry day. The general consensus from riders was that it was hard in places, but that they enjoyed it. Some close scores in the various classes, hope you all had a good day.
